Pay range €17.00 - €21.50

Why work for us

Hata Homes is the sister organisation of Dún na nÓg, who have been providing care to young people for 20 years. We operate multiple residential accommodation services for young people aged 16-18 seeking protection in Ireland, who are from Ukraine.

We are seeking applications from capable and enthusiastic individuals, who have a deep commitment to human rights and a focus on community integration.

We support young people who are fleeing to Ireland for safety, security, and protection. Hata Homes works using a therapeutic approach and the Welltree Model of Care and provides a safe and homely environment for all the young people we work with. We support young people to thrive in a capable environment supporting them to develop independent skills.

We are inviting candidates to join our social care led teams, working with separated children seeking protection in our Dublin based homes.

Successful candidates will be afforded all necessary training and development in line with the role. Candidates must be highly motivated and creative with a passion for engaging with young people on a daily basis.

If you think Hata Homes is the right fit for you, please see the attached job description and send your CV to hr@dunnanog.ie (<mailto:hr@dunnanog.ie>) and include the role you are applying for in the subject line.
