Part-time Health Personal Assistant in Navan, Co. Meath

AT is currently recruiting a Part-Time Personal Assistant to assist a woman with disability to live an independent life.

Áiseanna Tacaíochta (ÁT) provides leadership and support to people with disabilities to live with the independence, choice and freedom they are entitled to. For the first time in Ireland, we facilitate Direct Payments to people with disabilities, enabling them to take control of their own budgets, their own services and, ultimately, their own lives. Whilst your employment will lie with the A.T Network you will work directly for the person. We act as intermediary between our members – who we call Leaders – and the Health Service Executive (HSE).

The Personal Assistant is required to assist a woman with a physical disability in all aspects of daily living in her own home. The successful candidate will receive training and development in line with the role. This role is suitable for a highly motivated and reliable individual who is committed to providing care and supporting someone to live an independent life in their community.

If you are looking for a new and exciting challenge and want to be part of a progressive organisation, we would be delighted to receive an application from you.
