

FoodCloud: "Reducing Food Waste In The Home" - Free Online Course (<https://www.activelink.ie/node/108576>)

Exciting news! FoodCloud, in collaboration with the EPA, have launched a new FREE online course.

"Reducing Food Waste In The Home," is now available for everyone to enjoy at their own pace! Join us to discover the secrets of food waste prevention and budget savings by learning how to think differently about best before and use-by dates, food storage techniques, smart shopping lists for savings, and more!

This course has been proudly created under the FoodCloud Academy's 'Thrive Together' Project, and funded by the Department of Environment, Climate, and Communications' Community Climate Action Programme: Climate Education, Capacity Building, and Learning by Doing (Strand 2).

Access and information on the course can be seen on our [FoodCloud Academy course and workshop page](https://food.cloud/academy/course-and-workshop-page). (<https://food.cloud/academy/courses-and-training>)

Don't miss out - let's be the change we want to see and Thrive Together!
