The Board of Mental Health Reform is seeking a passionate, focused, and experienced leader to cover maternity leave for the role of Chief Executive Officer. This is a unique opportunity to join the Mental Health Reform team at a critical juncture. The demand for mental health services in Ireland has reached unprecedented levels, outpacing the capacity of our current system to respond effectively. This role offers a chance to address the shortcomings of our current health system, collaborate across sectors, and build a system that affords parity to mental health. Mental Health Reform is ideally positioned to provide expertise and critical insights from both service users and providers in building a mental health system that is coherent, integrated, agile, and responsive to users' needs.

The CEO will work closely with the Board and lead a talented team, ensuring the delivery of MHR's overall strategic plan. Responsibilities include overseeing organisational resourcing and fostering the development, engagement, and growth of the network.
