

Cork Simon Community: Chiropodist / Podiatrist for High-Support Houses (<https://www.activelink.ie/node/108919>)

Volunteer Chiropodist / Podiatrist for High-Support Houses

Cork Simon Community works in solidarity with men & women who are homeless offering housing & support in their journey back to independent or supported living. We provide Emergency Accommodation, High-Support Housing, support for people to maintain their tenancies as well as addiction supports, personal development supports and employment and training supports.

Cork Simon Community is recruiting for a Volunteer Chiropodist/Podiatrist

We are excited to welcome a volunteer chiropodist or podiatrist to provide essential foot care services to the residents of our High-Support Houses in Cork City. The hours are flexible and can be tailored to your availability, with the idea of running chiropody clinics a few times a year.

As a volunteer, you'll need to cover your own travel expenses and bring any necessary equipment. This is a wonderful opportunity to gain valuable experience working with individuals who may be vulnerable and experiencing homelessness. Your expertise will provide a much-needed service to our service users.

We are looking for an experienced chiropodist who is honest, trustworthy, reliable, empathic, and friendly. If you have a passion for helping others and the skills to make a positive impact, we'd love to hear from you!

Our volunteer recruitment process involves an informal interview, Garda Vetting, Reference Checks and online trainings.
