

# **The Substance Use Issues & Community Work Course 2024/25** **(<https://www.activelink.ie/node/109257>)**

## **Certification**

Students who complete The Substance Use Issues & Community Work Course 2024/25 will receive a QQI Level 5 Component Certificate (In association with the Cork College of FET – Morrison's Island Campus, Cork City)

## **About the Course**

The Substance Use Issues & Community Work Course 2024 / 25 is designed to promote good practice among those who work in a paid or voluntary capacity with young people and communities who are affected by various issues.

## **Learning Outcomes**

The course aims to provide a critical perspective on some of the issues that affect young people and their communities and encourages the development of coherent responses at individual and organisational level.

The components: Understanding Community Development and Substance Use Issues should support the ability of learners to work safely and effectively in youth and / or community work settings. The programme also aims to provide the participants with the necessary knowledge regarding applicable supports systems, both within and outside their communities.
