Community BBQ for Donegal PPN members.

July 25th at 6pm

OURganic Gardens, Letterkenny, Co. Donegal.

Register: <https://DonegalPPN-BBQ.eventbrite.ie> (<https://DonegalPPN-BBQ.eventbrite.ie>)

The event will be fun and engaging. It will be an opportunity to bring PPN members together to celebrate your work and reinforce the networks of the PPNs.

It will be a practical and experiential exploration of how PPNs are a great way to take action on the local and global issues we face.

We will explore ecosystem restoration in the context of the SDGs, the decade of ecosystem restoration and why global citizenship education is key for them to be achieved.

We will host the event at a venue that is practicing ecosystem restoration. All the food sourced where at all possible will be from a local regenerative farm in the county. That is restoring ecosystems while providing nutrient-rich food to their local community.
