

Open Training College: Honours BA in Applied Social Studies (Disability Service Management) **(<https://www.activelink.ie/node/109322>)**

Honours degree for change makers in the disability sector! One-year, online, part-time, flexible delivery. Early Bird tuition fee offer available until August 15th

Are you ready to upskill and be the change maker for good in our sector? If so, we have good news. Not only do we offer world class study options for change makers, but we have an Early Bird offer in place too.

Why do the **Honours BA in Applied Social Studies (Disability Service Management)**
(<https://opentrainingcollege.com/courseitems/ba-hons-applied-social-studies-disability-service-management/>) ?

The Honours course helps students become better practitioners and drivers of positive change, real innovators in the area. Students have cited the following as real benefits in studying the one-year QQI (<https://www.qqi.ie/>) accredited course:

- Boosted confidence
- Enhanced their focus on a change project
- Inspired them to tackle an issue within their service
- Boosted practical management skills
- Achieved a lifelong goal of earning a level 8 Honours degree
- Helped build a network of like-minded change-makers
- Flexible delivery of the course allowed students balance study with work

The Open Training College (OTC) is a leader within the disability sector and has upskilled thousands of students since 1992. We hope that you will become one of our graduates in time to come also.

We are an independent third level college that is award winning.
