## Reflective Practice for Practitioners

SHEP's work in facilitating Reflective Practice is part of our broader intention to support practitioners and the systems they work in. It is a Continuing Personal and Professional Development. **Three courses are being organised currently to commence in September 2024 and will continue to March/April 2025.**

- Waterford City
- Cork City
- One course Zoom Online (Kerry based facilitators)

**The courses are highly subsidised. There is no course fee for the Tuesday Waterford course, it being organised as a partnership between Waterford Healthy Ireland, Waterford Sacred Heart FRC and SHEP. For the Wednesday and Thursday courses, the fee is mostly subsidised through the support from SHEP and the HSE. There is a small €45 fee from participants to cover the cost of the course book and materials.**
