## **Working at the Rediscovery Centre**

Located in the heart of Ballymun, we bring together the skills and expertise of artists, scientists, designers and craftspeople united in a common purpose of sustainability.

We are on a mission to create a fair and inclusive society that thrives within the boundaries of our natural resources, leading Ireland's transition to a circular economy and a sustainable future, and we're looking for like-minded individuals to make it happen and join our Team!

What you can expect from joining the Rediscovery Centre:

**1. Make an Impact:**

Our first four strategic goals are to educate, demonstrate, advocate and collaborate with others to bring about a circular economy, a sustainable society and a just future. When you work with us, your efforts will contribute directly to this mission.

**2. Learning and Growth:**

Our final strategic goal is "thrive", meaning we are committed to fostering a culture of continuous learning and professional development. Working at the Rediscovery Centre will provide you with ample opportunities to expand your skill-set, learn new techniques, and stay updated on the latest research in sustainability and circularity.

**3. Collaborative & Inclusive Environment:**

We celebrate diversity and value the unique perspectives that each team member brings. We operate a multi-faceted workplace, from our reuse social enterprise workshops to our education and research teams. Our collaborative workplace is a space where creativity thrives, and ideas are encouraged to flourish.

**4. Work on Innovative Projects:**

From designing eco-friendly products to delivering educational workshops, every day at the Rediscovery Centre brings exciting and innovative projects.
