

Don Bosco Care: Relief Social Care Workers **(<https://www.activelink.ie/node/109598>)**

We are currently recruiting

Relief Social Care Workers

Don Bosco Care offers a quality working environment where young people come first; Our herapeutic care model and our ethos are at the core of all of our work with children and young people.

Established in 1979, Don Bosco Care is one of the leading social care service providers in Ireland.

Through our residential, aftercare and outreach services, we provide a range of high quality residential, aftercare and outreach support programmes.

Our model of care places the child or young person at the centre of our work. This allows the child or young person and their family to actively participate in all planning, activities, decision-making, interventions and review processes.

The individual needs, rights and wishes of each child or young person are at the fulcrum of all of our interactions with them.

The nurturing care and support which we offer is aimed to encourage the holistic development of the young person and is affected in a way that respects their dignity and individuality as persons.

Don Bosco Care is committed to offering young people a professional service that is based upon building positive relationships which lead to openness, trust and the creation of positive experiences.

The approach to the work is therapeutic in the support we offer the child or young person and the challenges we place before them. It is aimed at bringing about the healing of negative experiences and trauma. The work is carried out with the child or young person in a spirit of participation, inclusion and consultation.

The Management and staff of Don Bosco Care, strive to work in close partnership with the young people, their families, Social Workers and other professionals in order to achieve the best possible outcomes for the young people.
