PR & Publicity

Got an information campaign that you need to raise awareness of? A fundraising appeal that you need to tell the world about? A conference that you need to promote? At d2 communications, we incorporate the full range of communications tools to mount targeted PR and publicity campaigns. d2 communications boasts an outstanding success record, working with clients to achieve impactful and cost-effective communications solutions. Let us help you to get the word out.

Strategic Communications Planning

At d2 communications, we are expert in devising integrated communications solutions and action plans that support the delivery of your organisational strategy. Don't live your communications on a wing and a prayer. Take control of your organisation's destiny and talk to d2 communications about a communications health check.

Media Training

Want to make the most of those media opportunities? Why not get in touch with d2 communications to find out more about our intensive and practical media training workshops, delivered in person or online?

Among the topics covered are:

- The media in Ireland and how it works
- Different types of interviews – TV/radio/press, live/recorded, in studio/"on location"
- How to prepare for likely questions and tips to maximise your performance
