Education Support Coordinator

iScoil is an award-winning education organisation that offers learning opportunities and accreditation to young people, aged 13-16, who are not in mainstream education. Students are referred by Tusla Educational Welfare Officers. Since 2009, with the support of the Presentation Sisters, iScoil has been at the forefront of designing and implementing a range of innovative learner-centred programmes informed by research and evidence-based practice.

We have entered a time of great opportunity both globally and nationally to reimagine and redesign approaches to learning. We believe that all young people should be able to access opportunities that support them to build the skills and confidence they need to develop a mindset of lifelong learning.

iScoil has pioneered new approaches to digital learning, teaching, and assessment, and the CEO and Board of Directors are keen to continue this ethos of development into the future. We are looking for someone to join our central team who is committed to engaging the minds and creativity of young people through online and blended learning.

iScoil aims to:

- Engage young people in learning
- Build confidence and self-esteem
