

Development Perspectives: Project Coordinator (Part Time) **(<https://www.activelink.ie/node/109811>)**

Job Opportunity:

Project Coordinator for SDG Challenge Schools at Development Perspectives

Development Perspectives is seeking a Project Coordinator for the SDG Challenge Schools project. This role focuses on empowering secondary school students, teachers, and management to take meaningful action on the Sustainable Development Goals.

Key Responsibilities include

- Facilitate student workshops and teacher training.
- Support Global Citizenship integration in curricula.
- Collaborate with schools and community organisations.
- Monitor and evaluate project impact.
- Develop promotional materials and campaigns.

Qualifications:

- Bachelor's in Education, International Development, or related field (Master's preferred).
- Project coordination experience, especially in education or NGOs.
- Strong organisational, communication, and interpersonal skills.
- Familiarity with the Sustainable Development Goals.
