We provide a range of support services and accommodation. We have over 300 staff, and more than 30 services in Limerick, Dublin, Clare, Kerry, Cork and Tipperary including residential homeless services, social housing and community based services for tenancy sustainment, homelessness prevention, mental health and recovery.

DIAL offers a two-year life programme to residents, teaching them skills in cooking, cleaning, paying bills and money management, in a bid to equip them for independent living. The scheme also works with external agencies to provide professional courses on issues such as self-harm and drug use. Peer led learning is at the core of the DIAL ethos.

NOVAS is a Trauma Informed practice organisation and the principles of collaboration, diversity, respect and trust are embedded in our way of working together. Our services are provided through support of our partners in local government through the Local Authorities, HSE, and other donors and funders
