About Safetynet Primary Care

Safetynet Primary Care is a medical charity that delivers quality care to those marginalized in society without access to healthcare, including homeless people, drug users and migrants. We also facilitate a network of health services working with homeless people's care to ensure a coordinated approach and promote best practice.

Senior Nurse Manager (CNM 3)

Full-time permanent contract; Dublin based

This new role is key to the continuing development and execution of Safetynet Health Care Services, with a keen focus on quality standards and best practice. The purpose of the Senior Nursing Manager (SNM) role is to lead the Nursing team and other allied Health Professionals to provide a responsive, effective, and efficient delivery of nursing services and associated tasks. Additionally the role will provide clinical leadership and management to the Nursing team and other allied Health Professionals, promoting their own training and development. This role will include providing support in all clinic activities across a variety of settings. Working as part of the Senior Management Team (SMT), the SNM will ensure Standard Operating Procedures are developed, as identified, implemented and adhered to across the organisation. This role will work closely with both the Medical Director to ensure Safetynet clinical teams operate to the highest standard and provide a high-quality service to our patients every time.

The post will have face to face clinical duties appropriate to the role, time available and service needs.
