Belong To LGBTQ+
Youth Ireland

We are excited to announce that Stand Up Awareness Week 2024 will take place 4-8 November 2024. This is the 15th year of our annual anti-bullying campaign - a time for post-primary schools, youth services and Youthreach centres in Ireland to join us and take a stand against homophobic, biphobic and transphobic bullying.

Today in Ireland, one in five LGBTQ+ young people face bullying and 76% of LGBTQ+ students feel unsafe at school. Together we can create spaces where LGBTQ+ young people feel safe, equal and valued.

Ahead of this year's campaign, we are running interactive online training for schools, Youthreach centres and youth services across Ireland to provide you with everything you need to know about hosting a great Stand Up Awareness Week campaign and support all young people in your space to feel welcome, safe and included.
