About this event

What is this event about and why should I go?

As a person with a physical disability myself who, within the earlier years of my life, has felt very disconnected, lost, unheard and as though I was just existing, my aim for the "Empowering Abilities Connections" event is to pull individuals together, offering support, kindness, unique wisdom and the ability to move forward as a collective... and then expand.

The title of this event speaks for itself, and that is my mission, to ***Empower Your Abilities***, with the ***Power of Connections!!***

How does this sound to you?

This event promises to be an evening of connections, growth, development, as well as an opportunity to meet new people face to face. It is a space to have the confidence to be heard.

Come along and share your wisdom, enthusiasm and passion.

Let's build Empowering Abilities connections together.
