

National Pay and Benefits Survey 2024 **(<https://www.activelink.ie/node/110975>)**

The National Pay and Benefits Survey 2024 (<https://thewheelcreatesend1.com/t/i-i-ffujiy-l-r/>), the purpose of which is to provide a comprehensive overview of pay and benefits in the Irish nonprofit sector, is now open. We are asking that as many organisations as possible complete it in order to give the fullest, most accurate picture of remuneration conditions in our sector.

This survey is coordinated by The Wheel with the support of Community Foundation Ireland, and is a vital, much-needed resource.

95%+ of organisations surveyed during the last edition of this research said that the data would be valuable to them, so now we need your support to provide it.

The survey results are invaluable to the sector and the resulting report will assist boards, policymakers, managers, and staff to understand current trends and practices in relation to pay and conditions of employment in the sector. It is also an essential resource to HR departments as a benchmark for nonprofits assessing their own pay structures.

Please note that this survey must be carried out by someone with access to all pay and benefits data for your organisation.

We would be grateful if you would complete the survey before the closing date of **Wednesday, 25 September**. We expect it to take up to 50 minutes of your time. This is not an insignificant ask, but the data will be an incredibly useful resource and every submission counts.

Your input is highly valued and will help all of us to develop a shared understanding of our sector, as well as increasing our transparency and accountability to the public.
