

## **Sophia Housing Association: Project Workers** **(<https://www.activelink.ie/node/111083>)**

### **About Sophia**

Sophia is a national organisation, who has been supporting people as they emerge from homelessness since 1997.

Sophia is a niche service provider for two reasons; Firstly, it sees the provision of home of one's own as the primary response to homelessness and the intervention that Sophia is exclusively focused on. Secondly as an Approved Housing Body, its core mission is to provide homes for individuals, couples and families who not only need a home but also present with other support needs.

Sophia recognises that homelessness can have a traumatic impact on people and that services need to be designed and delivered in a trauma informed way.
