

National Trauma Informed Practice Conference 2024 **(<https://www.activelink.ie/node/111120>)**

We are delighted to announce our third National Trauma Informed Practice Conference which will take place on 7th November 2024, in the Grand Hotel, Malahide.

The conference is a dynamic, educational and validating experience, with over 20 speakers, and 14 skills, reflection and educational workshops. Excellent key notes include Dr Ray O Neill discussing Shame and Jo Hanna Ivers, discussing recovery. The conference is a great opportunity to share and learn from a wide range of practitioners, researchers, experts and those with lived experience.

There will be a focus on Health, Justice and Social Care services. This day is the highlight of many people's year and we look forward to you joining this like minded community of change oriented practitioners.
