

Merchant's Quay Ireland: Project Worker, Open Access Service **(<https://www.activelink.ie/node/111323>)**

Job Title: Project Worker, Open Access Service

Responsible for: Contributing to the day-to-day operation of the service and ensuring that it runs smoothly and follows organisation procedures.

Reports to: Open Access Service Co-Ordinators

Objective: To work directly with clients as part of a team and to provide a safe, secure environment for clients.

Within the Open Access Services, there are several services/client activities which result in several different daily roles within the service, you will be required to undertake whatever daily role is assigned to you to meet our operational requirements.

Please see Job Description attached below.

Contract: CID (permanent)

Location: Merchants Quay Open Access Service – Dublin 8

Salary: Starting at €33,860 – depending on experience

Hours: 39 hours

Days: Monday to Sunday
