The Parent Peer Support Fund:

The Supporting Parents, Parent Peer Support Fund 2024/25 supports statutory, community and voluntary organisations leading or co-ordinating peer support projects for parents and those in a parenting role. The activities funded should focus on best practice in the areas of parent peer support. We encourage applications from organisations already providing peer supports for parents and those wishing to launch new projects.

Two tiers of funding will be made available under the 2024/25 Parent Peer Support Fund.

1. **Tier 1** will provide grants of **€2,000** to successful applicants who either currently operate, or wish to establish a **new** parent peer support project.
Tier 2 will provide grants of **€5,000** to successful applicants who wish to **scale up** an existing parent peer support project, that has been proven to have a positive impact for parents.

Organisations seeking funding, should only submit an application for funding under **either Tier 1 or Tier 2**. Applications for both tiers of funding from the same organisation will not be accepted.
