
WALK: Team Coordinator / Person-In-Charge (Supported Living Services) (<https://www.activelink.ie/node/111735>)

At WALK, we strive to offer people with intellectual disabilities the opportunity to live the life of their choosing.

WALK is interested in reaching out to committed individuals who want to make a real difference in the lives of others.

There is now an opportunity for the position of Team Coordinator/Person-In-Charge in our supported living services.

The Team Coordinator will play a key role within the leadership structure of the organisation and in ensuring person centred approaches are inherent in the thinking and practice of staff and in the provision of our models of support.

It is an exciting opportunity for people to expand their skills and influence.

The Team Coordinator will be an influential driver and champion in the organization's efforts to ensure people supported have the best possible life.

A detailed job description is attached.
