
VSI November Meetup: ‘Truth vs. Misinformation: Irish and Palestinian Parallels’ (<https://www.activelink.ie/node/112006>)

Join VSI for our November meetup and workshop, which takes place online on Tuesday, 26th November at 19:00. This month we will be discussing misinformation and how to distinguish it from truth, looking at how it can be used as a tool to amplify harmful narratives. We will be discussing it specifically in relation to the Palestinian cause, using examples from the past in Ireland to draw parallels. This is an informal workshop so no prior experience is needed and it is open to all to attend.
