

Volunteer Ireland: Organisations that involve Volunteers - Survey **(<https://www.activelink.ie/node/112073>)**

Organisations that involve Volunteers

At Volunteer Ireland, we're passionate about volunteering and supporting organisations like you that engage volunteers. Every year, we conduct a national survey of anyone that leads, coordinates or manages volunteers to help inform our work. We want to make sure we understand the realities of those who support volunteers on the ground, day in and day out. As experts in the field, we also want to get your opinion on some key areas effecting volunteering.

The survey consists of 12 questions and should take about 5 minutes to complete. There is a comment box at the end for you to share any additional thoughts you might have. Thank you in advance for your time and consideration.
