

**Volunteer Ireland: Volunteers - Survey**  
**(<https://www.activelink.ie/node/112074>)**

## **Volunteers**

At Volunteer Ireland, we're passionate about volunteering and making sure that when someone volunteers it's accessible, supported and meaningful. Every year, we conduct a national survey of leaders of volunteers to help inform our work. We want to understand what it's like to volunteer for all different kinds of people and learn more about your volunteering experience. This will help us to support volunteers like you and make sure volunteering is recognised and valued.

The survey consists of 12 questions and should take about 5 minutes to complete. There is a comment box at the end for you to share any additional thoughts you might have. Thank you in advance for your time and consideration.
