

[Electoral District Data \(https://www.activelink.ie/node/112102\)](https://www.activelink.ie/node/112102)

Based on Census data, and developed in Cork as part of the Cork City Profile, The CSO has created a report for each ED in the country related to health and social wellbeing.

Just click on the ED you are interested in, a whole summary report will be generated for you. This report is based on the significant/data of interest for that particular ED.

This resource will be of particular interest to people who are involved in area or location based work, and community groups and C&V sector, schools, family support and youth groups and organizations who might not have access to data and analysis.
