TÚS Scheme Supervisor (Fixed Term Panel)

LAES Case Officer (Part Time, Fixed Term)

Donegal Local Development CLG (DLDC) is a community-led local development company covering all of County Donegal except the Inishowen area. We work to improve the opportunities for people and communities in Donegal to bring about positive changes in their own lives and in their community.

We now have a requirement to fill two roles:

- **TÚS Scheme Supervisor:** Full-time, fixed-term position for up to two years, located in Letterkenny.
- **Local Area Employment Service (LAES) Case Officer:** Part-time, fixed-term position for six months, based in Stranorlar.

The Tús Supervisor will oversee approximately 25 participants in the Tús scheme, who will be placed with community and voluntary sector organisations. This role involves managing their work activities and supporting participants in using these placements as a pathway back into the workforce.

The Case Officer will be required to work as a member of the LAES Team within DLDC to provide services to the long-term unemployed, under-employed and employers in the DLDC catchment area. The goal is to provide personalised support, helping each client return to employment through one-on-one career guidance, access to relevant information and training, education opportunities, and job placements that align with their individual needs.
