### **Child and Adolescent Psychotherapist / Creative Psychotherapist who specialising in play/ Art Therapist / Family Therapist (Part-Time)**

**Location:** Limerick, Ireland

**Organization:** CARI (Children At Risk in Ireland)

Are you a passionate therapist with experience in working with children, families, and trauma? CARI (Children At Risk in Ireland) is looking for dedicated and compassionate professional to join our team in a Part-Time Psychotherapist Role. If you are driven by making a meaningful difference in the lives of children and families affected by child sexual abuse, we want to hear from you.

#### **About CARI:**

Founded in 1989, CARI is Ireland's leading provider of **professional, child-centred, trauma-informed therapy services**. Our dedicated team supports children and families who have experienced child sexual abuse, providing essential therapeutic care. Our mission is to create a safe, healing environment where children and families can begin their journey towards recovery.

#### **The Role:**

As a **Part-Time Psychotherapist**, you will provide therapy to children and adolescents who have been affected by sexual abuse, as well as therapeutic support to their parents or carers. You will collaborate with a dynamic multidisciplinary team, ensuring high-quality service delivery and consistent, trauma-informed care.

#### **Key Responsibilities:**

- Provide individual therapy to children and adolescents impacted by sexual abuse.
- Deliver therapeutic interventions to parents or carers, working closely with the therapy team.
- Co-work with other professionals to provide a holistic approach to care.
- Report directly to the Therapy Team Leader to ensure quality and consistency.
- Receive regular individual and group supervision to support your professional development.

#### **The Ideal Candidate Will Have:**

- Experience in providing psychotherapy to children, adults, and families.
- Previous experience working with trauma and knowledge of trauma-informed care (desirable).
- A primary or higher degree in a related discipline.
- A recognized psychotherapy qualification and relevant accreditation.
- Knowledge of **Children First Guidance** and child protection protocols.
- Ability to work collaboratively as part of a dynamic, multidisciplinary team.
