Seeking candidates for our New Emergency Residential Accommodation for Separated Children Seeking Protection

Due to the continuing expansion of the organisation, we are recruiting for the following positions:

Social Care Manager
Dublin 13

Hata Homes operates multiple registered emergency residential accommodation services for young people aged 13 - 17 seeking protection. We support the young people who are fleeing to Ireland for safety, security, and protection. Hata Homes works using a therapeutic approach and the Welltree Model of Care and provides a safe and homely environment for all the young people. We support young people to develop independent skills including providing support in accessing education and employment.

Allocation on the pay scale is based on post qualification experience.

Please see attached job descriptions for additional staff benefits.
