Students and staff at Portlaoise Educate Together National School were delighted to host the launch of Our World Awards 2025 last September!

Now in its 20th year, the Our World Awards is a simple and flexible platform for 3rd to 6th class primary school pupils and their teachers to learn how Irish Aid, the Government's International Development Programme, is working with partners around the world to create a fairer, safer and more sustainable world through the United Nations Sustainable Development Goals.

Aligning seamlessly with the Primary School curriculum, Our World Awards offer teachers an exciting opportunity to inspire pupils to explore global citizenship, sustainable development and social justice through creative projects and classroom activities. The programme has been designed to help teachers cope with the demands of a packed curriculum. See our **free ready-to-use resources** for your 3rd – 6th class pupils at <https://ourworldawards.ie/teacher-zone/lesson-plans> (<https://ourworldawards.ie/teacher-zone/lesson-plans>).

Register for your free class pack containing Pupil's Magazines at <https://ourworldawards.ie/register-submit/> (<https://ourworldawards.ie/register-submit/>).

We would encourage all pupil's to prepare and submit a project on their learnings to Our World Awards to be in with a chance to attend the National Finals in Dublin Castle, May 2025 plus the opportunity to win some prizes along the way. We look forward to seeing your entries to Our World Awards 2025!
