

IICP College: Masters of Science in Pluralistic Counselling & Psychotherapy (<https://www.activelink.ie/node/112308>)

Level 9 Masters of Science in Pluralistic Counselling & Psychotherapy 2025

Developed in conjunction with Professor John McLeod, this programme aims to enable existing professionals working within the field of counselling and psychotherapy to achieve a Master of Science in in Pluralistic Counselling and Psychotherapy.

A pluralistic perspective is an integrative approach to Counselling and Psychotherapy that embraces and considers multiple causes and responses to psychological distress. The aim of the programme is to equip practitioners with an up to date, cutting edge training to meet the needs of contemporary society. It also aims to identify and develop leadership and collaborative qualities in those involved in therapeutic practice. With a strong research focus, graduates from this programme will have the necessary knowledge, skills, and competence to act as research-practitioners.
