Dochas Family Centre is a registered charity located in North Clondalkin and works with children aged 7-12 years in a therapeutic way. The post will focus (but not exclusively) on children aged 11+ to undertake transition activities which will help them move from primary to post primary education. The mission of Dochas Family Centre is *“Empowering children & families through community based therapeutic interventions to strengthen the family unit by building resilience and tackling trauma in the community.”* This post is based and managed by Dochas Family Centre but is contracted through Collinstown School Completion Programme (SCP).

The Applicant:

- Successfully completed a Level 8 Degree in a relevant discipline (e.g., Social Care, Youth & Community Work) with 2 years post qualifying experience and some experience of trauma informed care (will be an advantage).
- Have experience of working with children presenting with social emotional difficulties in a family support context.
- Have experience of working with children and parents to provide support matched to presenting needs which support the child & family system.
- Be able to show experience and understanding of child development, factors and systems which support positive outcomes for children and families.
- Have experience of gathering relevant information from various sources and in collaboration with families and children, implement a Support Plan matched to their needs.
- Have experience of facilitating children’s groups and interagency working.
- The ability to blend with an existing team dynamic, be friendly, approachable and flexible.
- Have a full driver’s licence as **driving a mini-bus is a requirement of the role**

Appointment subject to satisfactory Garda vetting and employer reference checks. Previous applicants need not apply. Salary based on experience. Only shortlisted candidates will be contacted.
