

Resilience: Team Leader (<https://www.activelink.ie/node/112367>)

Team Leader – Prader Willi Syndrome 5 bed Residential House in Fermoy Co Cork

The Team Leader will be responsible for leading a dedicated team in delivering quality standards of care and support to young adults with Prader Willi Syndrome.

Full time 40-hour contract. Day, afternoon and/or evening shifts. This role will entail 20 hours' frontline and 20 hours' administration. The successful candidate will report to the Person in Charge (PIC) and will play a key role in ensuring the provision of high quality, responsive and sustainable services in accordance with HIQA standards and relevant legislation. Our aim is to ensure that each person we support achieves their optimum potential.

About Resilience

Since 2011 high-growth Irish company Resilience has continued to lead the way in transforming health and social care in Ireland. Our essence is to help build resilience in the people we support to bring the possible to life.

Our Social Care division is providing progressive Residential, Day and Outreach Services for people with Disabilities, Autism and Prader Willi Syndrome – helping people to realise their potential. We are looking for passionate people to join our Permanent Team and build a future in rewarding work that truly changes lives.

You will enjoy a supportive environment that helps you realise your own potential and be part of world class healthcare team – breaking new ground in supporting people with Prader Willi Syndrome. You will be training with International Specialists and represent Ireland in this complex area. This Respite Residential House is the first of its kind in the world for people with Prader Willi Syndrome.

Location Gortore, Fermoy Co Cork
