

Saint John of God Community Services: Social Care Worker **(<https://www.activelink.ie/node/112437>)**

Social Care Worker

Cpl Healthcare is proud to partner with **Saint John of God Dublin Southeast Services**, a respected provider of training, employment, social, and residential programmes for over 750 children and adults with intellectual disabilities.

We are currently accepting applications from **newly graduated** and **experienced Social Care Workers** who are eager to advance their careers with a reputable and supportive service. The successful candidate will work within the residential service for adults, playing a key role in helping service users achieve their long- and short-term goals through day-to-day engagement, keyworking, and a person-centred approach.

Key Responsibilities:

- Delivering high-quality care to service users in a residential setting.
- Working closely with individuals to support their personal goals and development.
- Implementing a person-centred approach in all interactions.
- Engaging in keyworking duties to ensure service users' needs are met.
- Collaborating with a multidisciplinary team to enhance service delivery.

To be considered for this role, you should meet the following criteria:

- A minimum Level 7 qualification in Social Care or an equivalent relevant qualification.
- Experience in a disability service is preferred, but not essential.
- Strong communication, interpersonal, and organizational skills.
- Ability to work both independently and as part of a team.
- Flexibility regarding working hours, including weekends, days, evenings, waking nights, and sleepover shifts.
- A full, clean driver's license is required.
- Access to your own transport and willingness to drive company cars.
- A genuine passion for providing high-quality service and supporting individuals in achieving their goals.

Why Join Us?

This is an exciting opportunity to make a meaningful difference in the lives of young people and adults. As part of the team, you'll help guide and prepare service users for life, providing vital support as they grow and develop within the service. If you're passionate about delivering person-centred care and want to be part of a dedicated team, we'd love to hear from you!
