Trainer (Health)

About the Training and Development Department

The Training and Development Department has a proven track record of designing and delivering specialist domestic violence and abuse training to local and national organisations throughout Ireland. We support organisations in the statutory, health, community and voluntary sectors, as well as employers, to enhance and improve responses to women who are subjected to domestic violence and abuse. All Women's Aid training is informed and guided by our decades of experience directly supporting women and by models of best practice.
