The role of a Nurse

Nurses assess, plan, implement and evaluate care to the highest professional and ethical standards within the model of nursing care practiced in the relevant care setting. They provide complete, person centered care, promoting optimum independence and enhancing the quality of life for people supported by the service. They assist in all aspects of the practical tasks associated with the daily life of the person supported. Brothers of Charity promotes interdisciplinary working so there is the opportunity to work closely with professional colleagues to provide a range of specialist care services.
