LOCATION: Kildare Community Development Centre, Meadow Road, Kildare Town, Co. Kildare, R51 RF88.

BACKGROUND

County Kildare Leader Partnership (CKLP) is a Local Development Company focused on enhancing the quality of life in County Kildare, through the delivery of National and EU-funded programmes and initiatives. Established to stimulate economic, social, and environmental development, CKLP also has a strong anti-poverty and mental health focus, responding to where individuals have fallen behind through personal challenges or lack of economic opportunity.

For more information on CKLP, their key areas of work, impact and achievements, please visit www.countykildarelp.ie (<http://www.countykildarelp.ie>) and their social media platforms.

THE ROLE

The **Social Inclusion Manager** will report to the CEO and will be responsible for the delivery of SICAP (Social Inclusion and Community Activation Programme) and any associated social inclusion initiatives managed by County Kildare LEADER Partnership (CKLP). This is a senior management position and the successful candidate will be expected to play a key role in supporting the overall management of the company.

Despite economic advances, there remain significant disadvantage and inclusion challenges facing county Kildare, including cohesion in local communities, citizenship, lack of transport infrastructure, and people in danger of falling behind due to personal or structural issues. CKLP are looking for someone to creatively respond to the county's challenges through their existing programmes and by developing innovative new ideas.

If you are a highly motivated and efficient person with extensive experience in the development and implementation of strategy, policy, and operations in social inclusion and community development, and who can understand and share the feelings of others, especially those who are marginalised or disadvantaged, we would love to hear from you.

The Social Inclusion and Community Activation Programme (SICAP) is co-funded by the Irish Government, through the Department of Rural and Community Development and the European Union through the European Social Fund Plus under the Employment, Inclusion, Skills and Training (EIST) Programme 2021 – 2027.
