### **Project Worker (Full-Time)**

***Location: Dublin, Ireland | Closing Date: 3rd January 2025***

Are you passionate about making a difference in people's lives? Do you embody values such as compassion, integrity, and empathy? Join **Safetynet Primary Care**, a medical charity that provides essential healthcare to vulnerable groups, including the homeless, refugees, and international protection applicants.

### **About Us**

At Safetynet Primary Care, we remove barriers to healthcare by bringing medical services to those most in need. Our innovative approach includes mobile health units, GP clinics, and outreach services. We advocate for inclusive healthcare for all.

### **The Role**

We are seeking an experienced **Project Worker** to support the Homeless Primary Care Team (HPCT) and Inclusion Health Hub (IHH) in delivering essential healthcare services to homeless and vulnerable populations.

**Key Responsibilities** include client care coordination, advocacy, administrative support, and outreach to ensure dignified and professional service delivery. The role involves collaboration with multidisciplinary teams and developing referral pathways.

**Requirements include** a third-level qualification in social care, psychology, sociology, or related work with vulnerable groups, with at least 2 years' relevant experience; expertise in the homeless sector and working with marginalised groups; strong multitasking, decision-making, scheduling, and problem-solving abilities. Excellent communication and teamwork skills. Fluent English.
