

Roscommon LEADER Partnership: Community Engagement Coordinator (<https://www.activelink.ie/node/112609>)

Roscommon LEADER Partnership in partnership with Roscommon Local Community Development Committee (LCDC) invites applications for the full-time post of

Community Engagement Coordinator

Roscommon LEADER Partnership is an organisation that brings together key development projects including rural enterprise, development and social inclusion that work for the betterment of the people of Co. Roscommon.

Empowering Communities Programme (ECP) aims to help families identify the challenges, issues and barriers they experience and to reduce these barriers by creating individual and family support plans. Support plans will include, but are not limited to, supporting individuals and families impacted by a range of social, personal, economic and educational issues such as:

- Health & wellbeing
- Employment
- Education & training
- Parenting & family
- Social & community
- Substance misuse & addiction
- Domestic abuse
- Anti-social behaviour

Roscommon LEADER Partnership (RLP) in partnership with Roscommon Local Community Development Committee (LCDC) is now recruiting for a Community Engagement Coordinator who will co-ordinate and deliver the activities of this programme, including direct support to families and individuals facing exclusion and marginalisation from mainstream services and opportunities. Needs will be addressed by providing referrals to mainstream service providers, the creation of targeted bespoke activities developed by RLP to address gaps in service provision and working collaboratively with relevant Government and non-Governmental agencies and service providers.

Role overview:

Key Areas of work:

- To coordinate the Empowering Communities Programme.
- To manage other staff appointed to work on the Empowering Communities Programme.
- To identify and link with marginalised individuals and families in the community.
- To plan and coordinate the assessments of marginalised individuals and family's needs and identify relevant solutions, including referrals to relevant stakeholders.
- To create, implement and monitor individual and family support plans.
- To coach, mentor and encourage marginalised individuals and families to engage with RLP outlining the benefits of engagement with all stakeholders involved in providing supports.
- To advocate, represent and at times accompany marginalised individuals and families throughout their engagement with external stakeholders when necessary.
- To visit marginalised individuals and families on an ongoing basis to review their needs and promote their participation in achieving the goals of their support plans.

- To network, engage and build good relationships with state agencies and local service providers/voluntary groups providing expertise in the areas outlined above.
- To work with existing and new Local Community Groups promoting services and identifying individuals and families most in need of support.
- To provide reports and briefings to local and national programme structures in a timely manner and as required.

Person Specification

Essential:

- Qualification [QQI level 8] in social sciences/social care/community & health or other related field of study.
- 3 years minimum experience working with marginalised individuals or families.
