

Concern Worldwide: Transform a life by donating today **(<https://www.activelink.ie/node/112722>)**

Our life-saving work tackles the root causes of extreme poverty across 26 of the world's poorest countries – meaning your donation can transform a life in any number of ways.

It could provide the seeds, tools or training that offer a secure livelihood to a vulnerable family or it could be the vital nutrition that brings a baby back from the brink of starvation.

It could support a child with the education they need for a brighter future, or provide the shelter they need in a time of emergency.

It could empower vulnerable women to overcome the gender inequalities that have pushed her into poverty, or it could fund one of our many innovations that help lift people out of poverty.

One thing is for sure, your donation will go wherever it is needed most to the people who need it most.
