Position: Clinical Group Supervisor

Contract: Fixed Term Special Purpose (following academic calendar)

Reports to: Head of School or their nominee

Location: Hybrid

Job Purpose

The role of the Clinical Group Supervisor is to provide 16 hours of Group supervision to students on the BSc and MSc programmes at IICP College. These hours are spread out over the academic year and consist of a blend of sessions onsite in our Tallaght Campus and online via our College Zoom Education Package.

Key responsibilities and tasks

- Provide group supervision sessions to groups of 3-6 IICP students, consisting of approx. 8 two hour sessions spread-out between Sept/Oct and May/June of a given academic year.
- Support and guide learners as they commence and complete clinical placement.
- Provide verbal and written feedback to learners related to their supervision reflections and self-evaluations.
- Liaise with college faculty and staff with regard to monitoring attendance and groups and ensuring appropriate communication.
- Manage the tripartite relationship of student, supervisor and college.
- Submit an end of year report for each student in the group.
- Liaise with the Head of School and Programme Leads in relation to cyclical reviews, such as, programmatic, and institutional reviews.
- Any other such duty commensurate with the role.

Working Relationships

The Clinical Supervisor will work closely with the Head of School and Clinical Placement Manager at IICP College.

Structure

The Clinical Group Supervisor shall report directly to the Head of School or their nominee.
