- Participate in the evaluation and development of the service.
- Liaise with and work co-operatively and effectively with the employees in Focus Ireland in relation to organisational procedures and policies in areas of personnel, finance, administration, research, development, education, public awareness and services.
- Manage an allocated caseload and adhere to care and case management processes and protocols.
- Work as part of a multi-disciplinary team.
- Be vigilant to any Health, Safety and Welfare risks in the workplace and bring any concerns to the attention of your Line Manager or Health & Safety representative.
- Attend and contribute to Team, Section and Agency meetings as required.
- Engage in clinical supervision sessions both one-to-one and group supervision on a regular basis with the Project Leader or team leader.
- Engage in Reflective Practice in line with PIE (psychologically informed environment).
- Participate in relevant training and development courses as agreed with your Project Leader/Team Leader.
- Undertake such other duties as might be reasonably assigned from time to time in consultation with the Project Leader.

What you will need:

- A relevant third level qualification at degree level i.e. social care, psychology, sociology.

- Proven, extensive experience working in a social care setting.
- Experience in carrying out assessments, including risk assessments.
- Experience in developing support plans and carrying out reviews.
- Ability to work on own initiative.
- Ability to deal with challenging behaviour.
- Ability to work alone and in a team setting.
- Ability to display flexibility in the role.
- Willingness to develop professional skills as identified through supervision and reflective practice.
- Understanding of issues pertinent to offending behaviour and homelessness.
- Experience of working with customers who have complex needs.
- Full clean driver's license (*desirable*).
- Experience advocating on behalf of a similar client group(*desirable*).
- Report writing skills (*desirable*).
- Information Technology skills (*desirable*)
