

Climate Leadership Development Micro-credential 2025 - Open for Applications! (<https://www.activelink.ie/node/112832>)

(<https://Climate Leadership Development - Micro-credential>)

- **NFQ Level 9 Accreditation**
- **Course qualifies for 80% subsidy under HCI Fee Subsidy**
- **Commencing in March 2025**
- **Part-Time, Online over 13 Weeks running from March-May**

Do you want to participate in a part-time, fully online Climate Leadership Development micro-credential which will enhance your career and become a leader in the fight against climate change? You can develop your leadership skills at both an individual and organisational level with the **Climate Leadership Development Micro-Credential** from **Trinity Micro-credentials** (https://ie.linkedin.com/company/tcd-micro-credentials?trk=public_post-text). Learners will have an opportunity to network with like-minded individuals, and to collaborate with other professionals from across a range of sectors. You will have the opportunity to collaborate with a cohort of leaders committed to driving climate action, participate in group coaching and develop a professional climate action plan.

Deadline for applications: Wednesday 12th February 2025

On this 3-month learning journey, we will unpack 6 core themes:

- Systems change
- An introduction to climate leadership: design, technology and innovation
- Climate justice and transformational leadership
- Driving behavioural change
- Policy making for climate action
- Curating your climate leadership journey.

Applicants must have a minimum 2.2 grade in a level 8 degree or applicants without a level 8 degree may apply through the Recognition of Prior Learning (RPL) route. Further information on RPL can be found at <https://www.tcd.ie/academic-services/hci/rpl/index.php> (<https://www.tcd.ie/academic-services/hci/rpl/index.php>).
