Join us to launch (Dis)Placed with an unforgettable evening of Forum Theatre, where the audience becomes part of the story. The performance, ‘Unhoused’, confronts the housing crisis through the struggles of Sophie, a tenant fighting against eviction in a building being sold. The audience will step into the action, proposing solutions, making decisions, and testing out strategies for activism. This performance is a rehearsal for real-life action, aiming to inspire justice, compassion, and community solidarity.
