Introduction

The International Organization for Migration (IOM) is committed to supporting migrant populations in Ireland. As part of this commitment, IOM seeks to enhance the integration of migrants into Irish society through recreational and sports activities. These activities are vital for promoting mental well-being, fostering social cohesion, and improving integration. The initiative aims to provide practical, community-based sports programs, encouraging participation and building a sense of belonging within Irish society.

Objective

IOM Ireland aims to engage an Implementing Partner (IP) to provide sports activities through tailored programs that meet the needs of diverse migrant populations.
