

Cork Life Centre: Volunteer Tutors **(<https://www.activelink.ie/node/113220>)**

The Cork Life Centre works with young people from 12-18 years. Our focus is to help the young people in the Centre to achieve their Junior Certificate and Leaving Certificate, as well as gain essential life skills through 1 to 1 teaching and a holistic approach to the students education and wellbeing.

We do require that people who volunteer with us can help with the following:

- Have skill, experience or passion for a subject to work one to one in.
- Be caring, enthusiastic and non-judgemental in their approach to people.
- Have the ability to build relationships and motivate vulnerable young people.

We are currently looking for volunteers to work with our young people across all subjects.
