Summary of the role:

The successful candidate will form part of a team of resource workers and volunteers who carry out duties under supervision of the Team Leader, and the guidance of the Administration Group. The successful candidate will offer a listening non-judgmental service whilst working with women on the helpline, on a one-to-one basis and in a support, group setting when necessary. Community education and raising awareness is an essential part of our work, and the successful candidate will be asked to participate in outreach work. The successful candidate will also have a working knowledge of computer software packages and GDPR legislation.

Role and duties of the Project Work:

- To offer a confidential and non-judgmental listening service on the dedicated Helpline
- To attend one to one meetings with women who require support in person
- To advocate for women who require external support
- To ensure confidentiality is adhered to at all times and that women we work with are treated with dignity and respect
- To engage in administrative work and organising of various tasks
- To liaise with groups in the local area as part of the community education and awareness raising aspect of the position
- To produce reports and other documents as and when required
- To keep informed of any developments in the area of domestic violence on a national level to include any changes in policy and legislation
- To adhere to CAPRN CLG/Mna Feasa Domestic Violence Project Policies and including Tusla policies on Child

Protection

- To conduct and participate in research tailored for a target audience

Requirements:

The candidate should have a qualification and/or direct work experience of a minimum 3 year period in **at least one** of the following areas:

- Domestic Violence Work
- Social Care Work
- Community Development and Education

The candidate will agree to Garda Vetting by CAPRN CLG

The candidate will have excellent communication skills, work well within the current team and have the ability to work on their own initiative and take direction from a voluntary administration group.

Proficient IT skills are essential.

The candidate will be required to attend supervision with the team and our volunteers on a monthly basis.
