Exciting Opportunity for Youth and Arts Organisations Across Ireland

ArtéTeka Ltd is a social enterprise using arts and creativity for positive social change. Our SENSES initiative promotes inclusivity for young people with sensory disabilities.

Are you passionate about working with young people in arts and creativity? Do you want to show your commitment to inclusivity?

Apply for the SENSES Label today!

The SENSES Label is a **mark of excellence** that recognises your dedication to creating a welcoming, inclusive space for people with sensory disabilities. By applying, you'll not only demonstrate your inclusivity, but also **connect with like-minded organisations** and gain access to our **online training course!**

This is your opportunity to stand out in the youth, creativity, arts, and culture sectors. If your organisation meets our inclusivity criteria, you'll be awarded the SENSES Label.

If you're not quite there yet, don't worry! We'll provide you with detailed feedback and practical suggestions to help you improve your practices and create a more inclusive environment. Plus, you'll still be able to access our training course – just reach out for more details!

We're excited to collaborate with organisations that are ready to lead the charge in inclusivity, and we **value any feedback** you have to help us refine the application process.
